Your

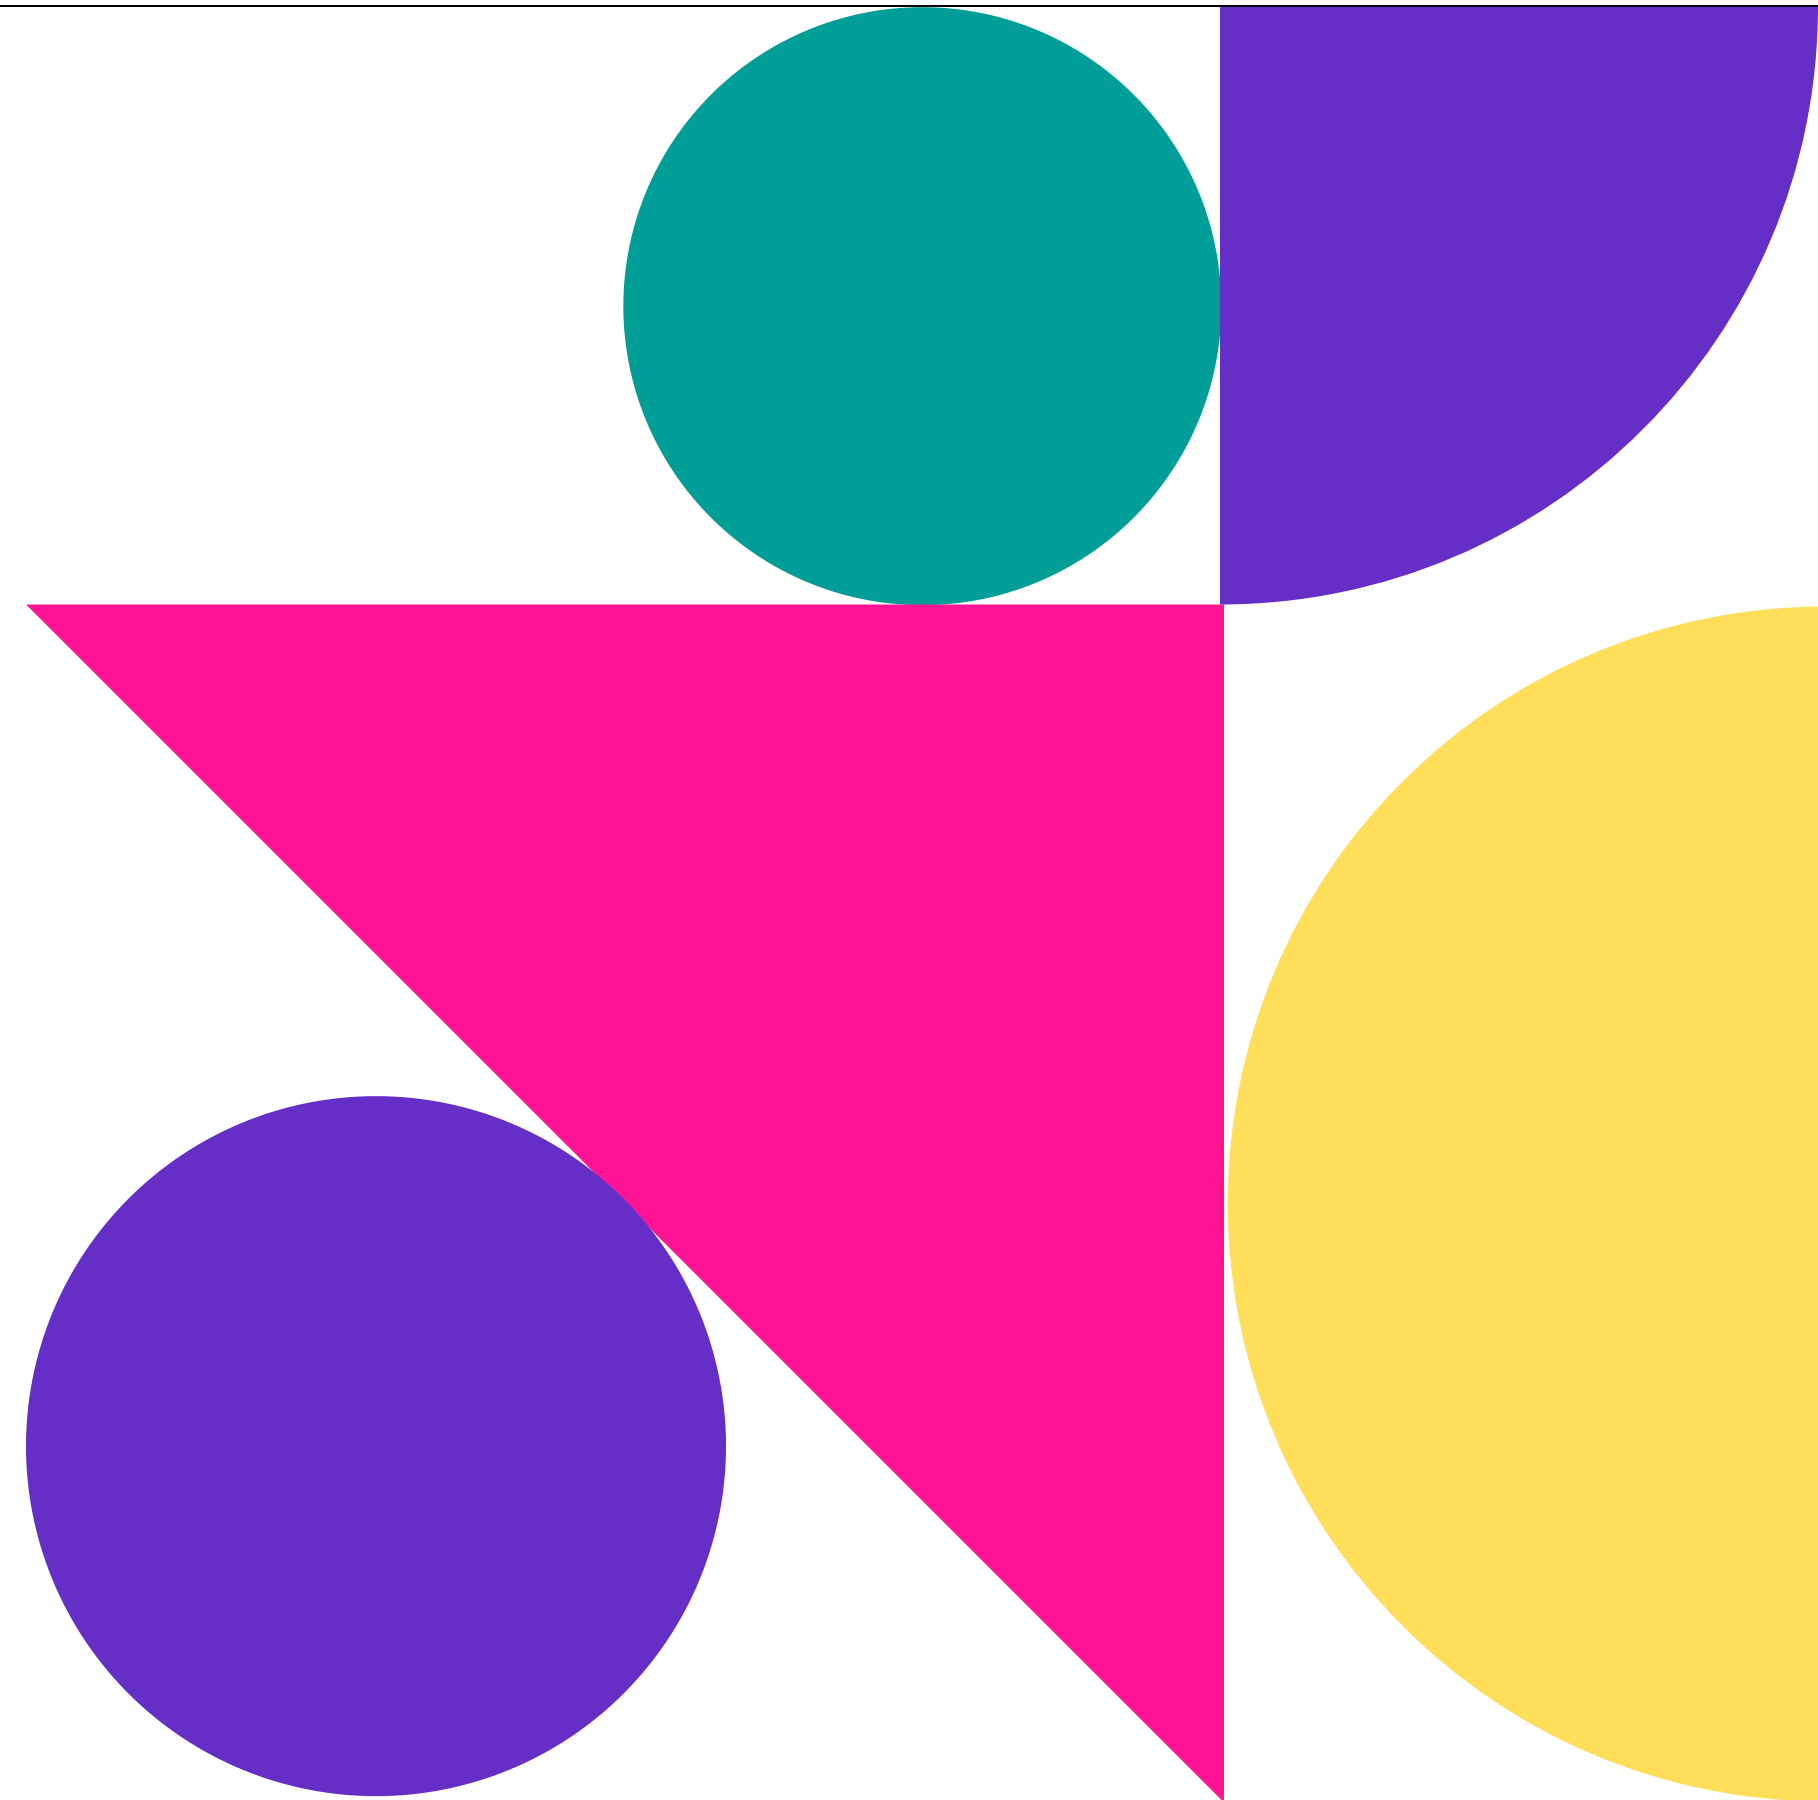

**POSTGRAD
STUDENT
OFFICER
2021-2022**

My Story

I have completed my Masters in Electronics at Queens University Belfast this year and I would be honoured to be your Post-Graduate Student Officer.

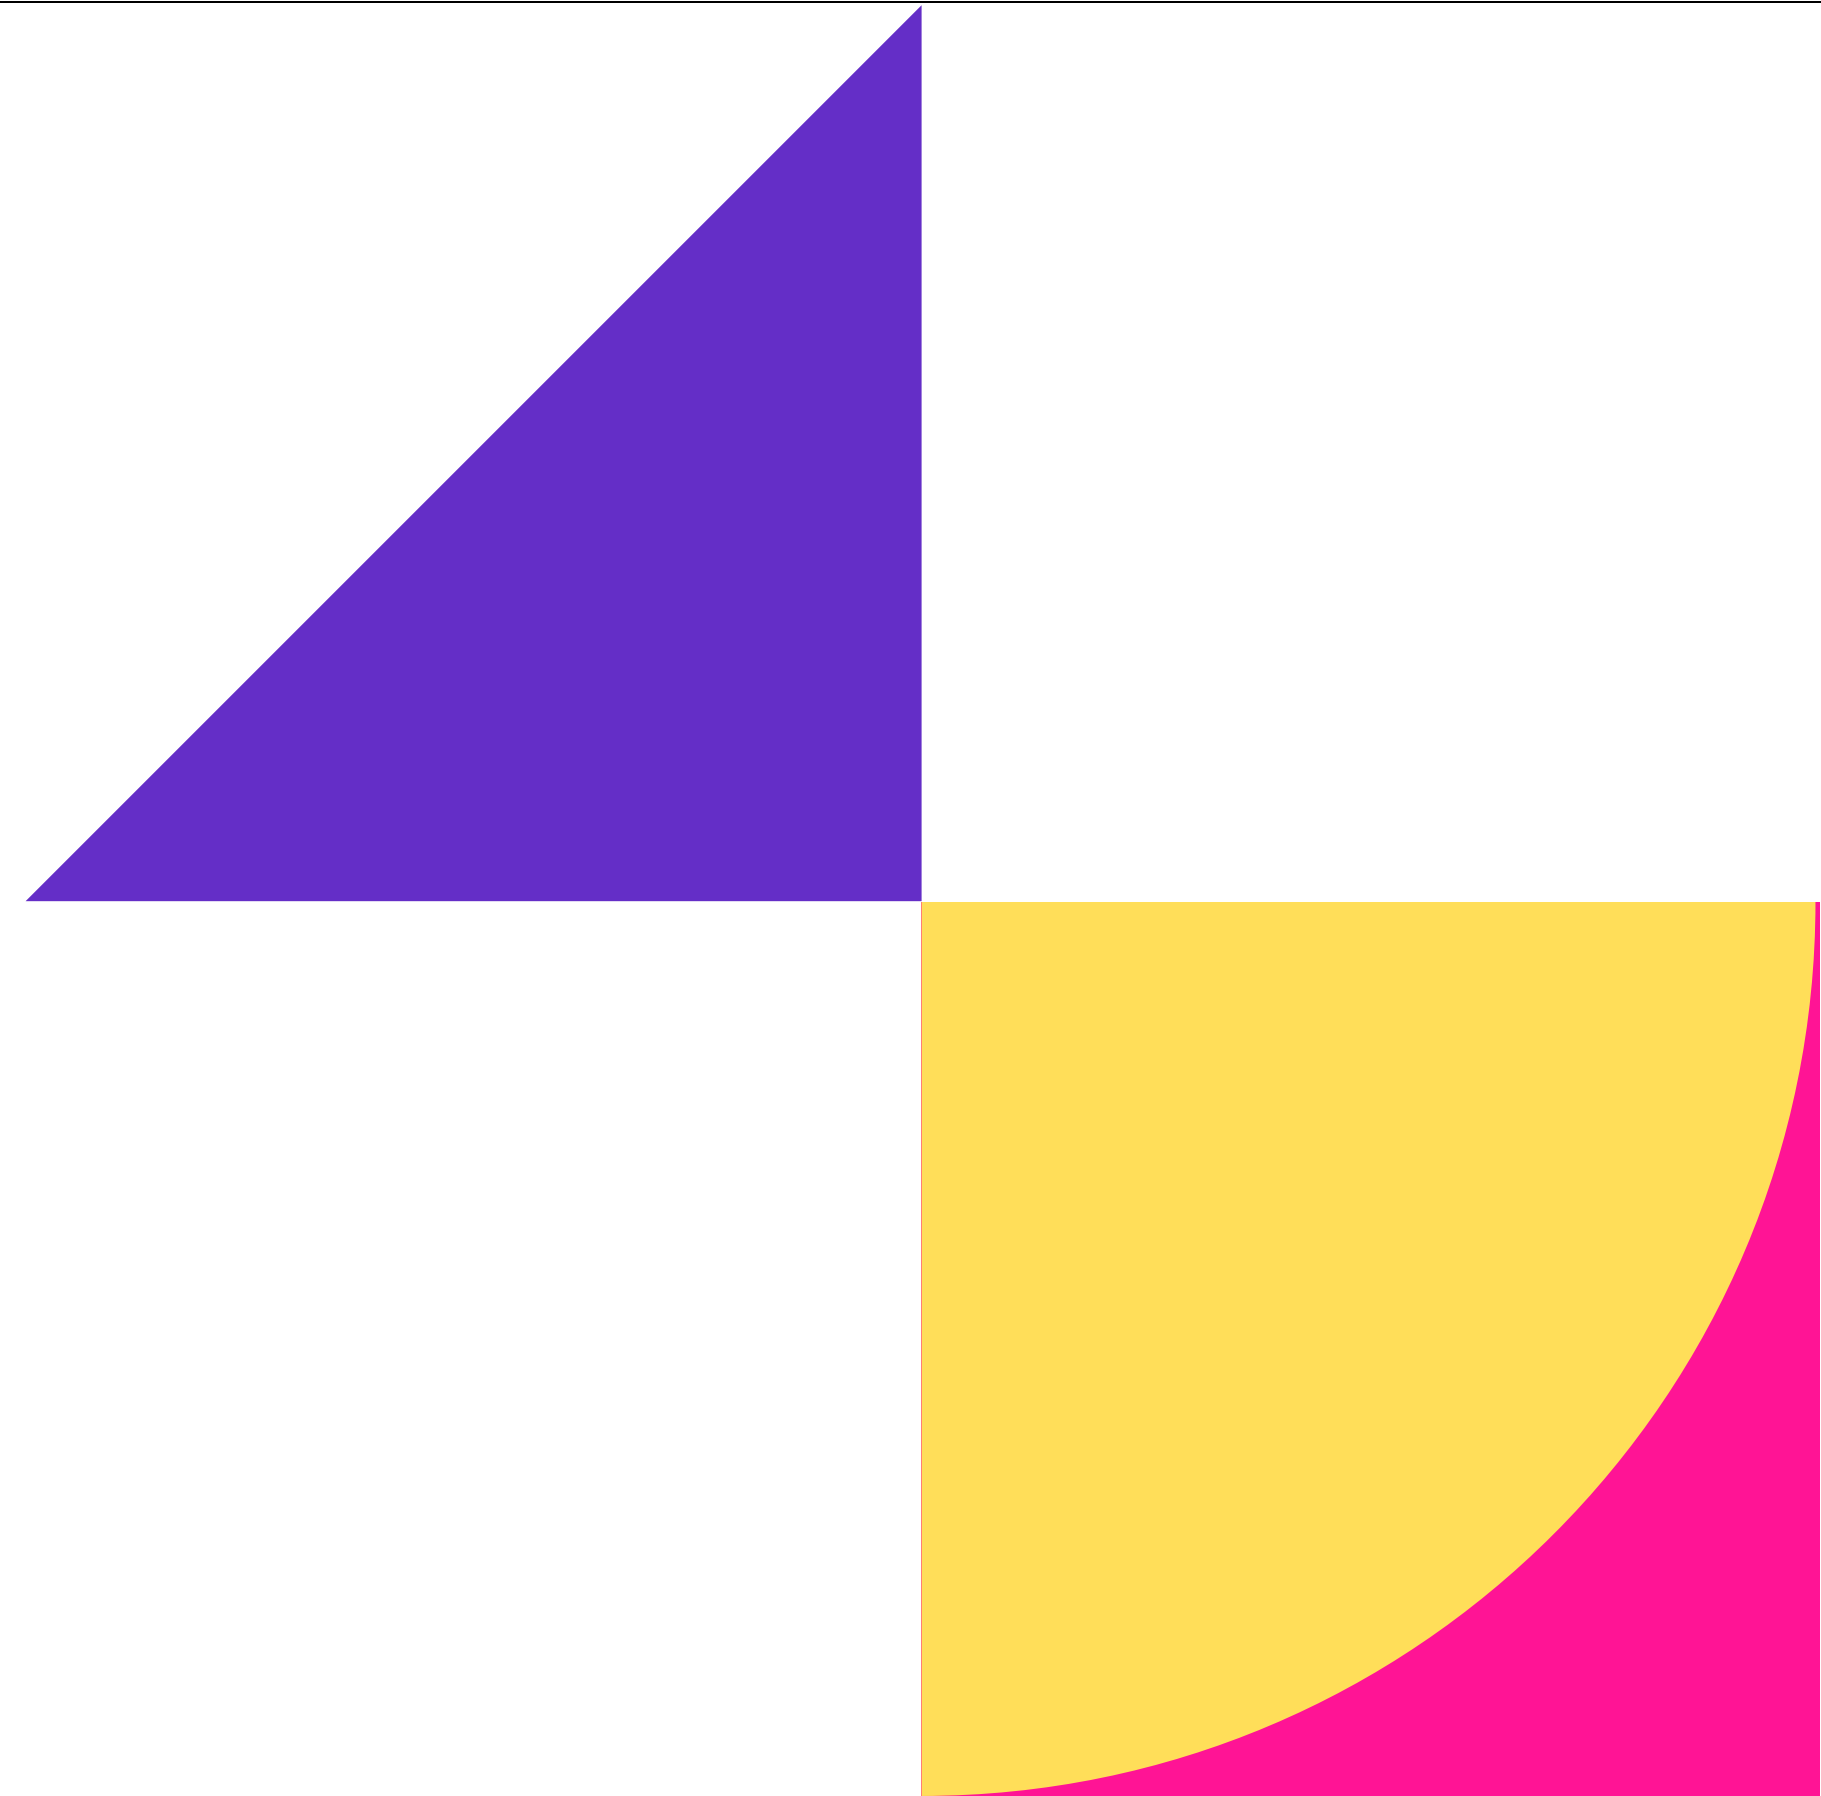

Its been a hard time, since the COVID breakout and I believe I have learnt a lot as time passed in the last 1 and half year and having the chance to represent postgraduate students during our academic life at the Queen's would be a privilege as I look forward to listening to your concerns and ensure progress within the Postgraduate level.

Our Mission

What we do

- Taking care about the student-faculty bonding for all students.
- Taking special care about international students and their mental health.
- Ensuring the academic activities made possible even during the pandemic.
- Talking to students personally and helping them out about the difficulties.
- Creating events to innovate ideas amongst different nationalities.
- Equality among all.

Our Core Values

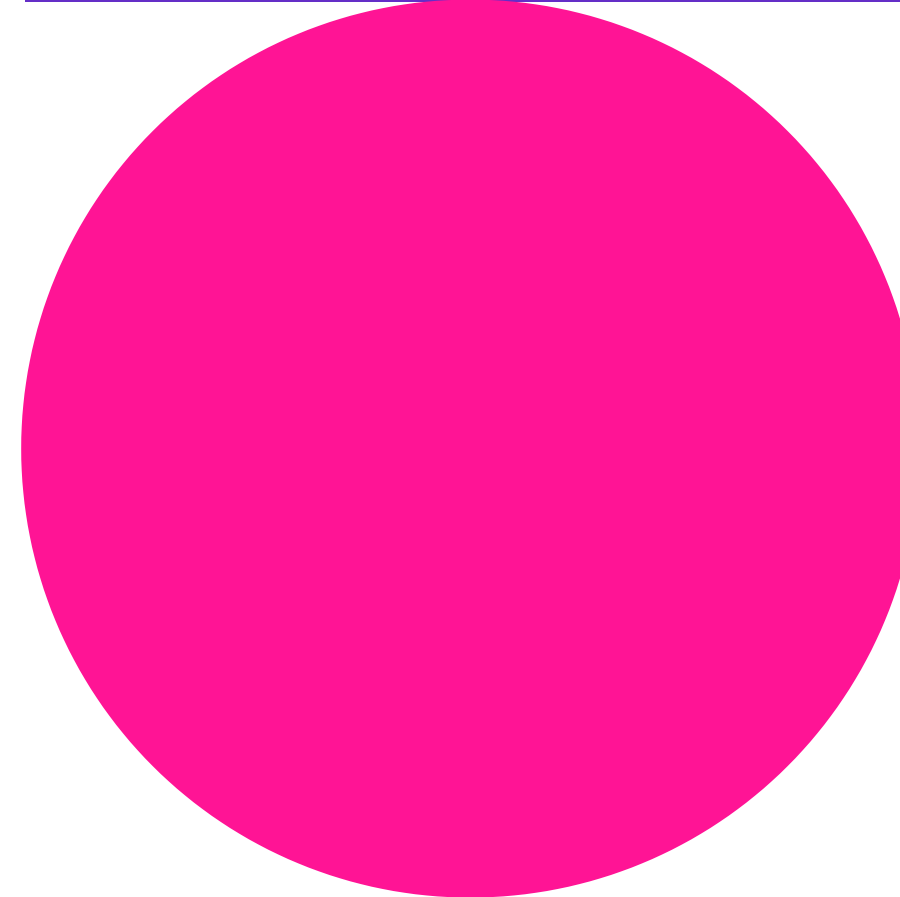

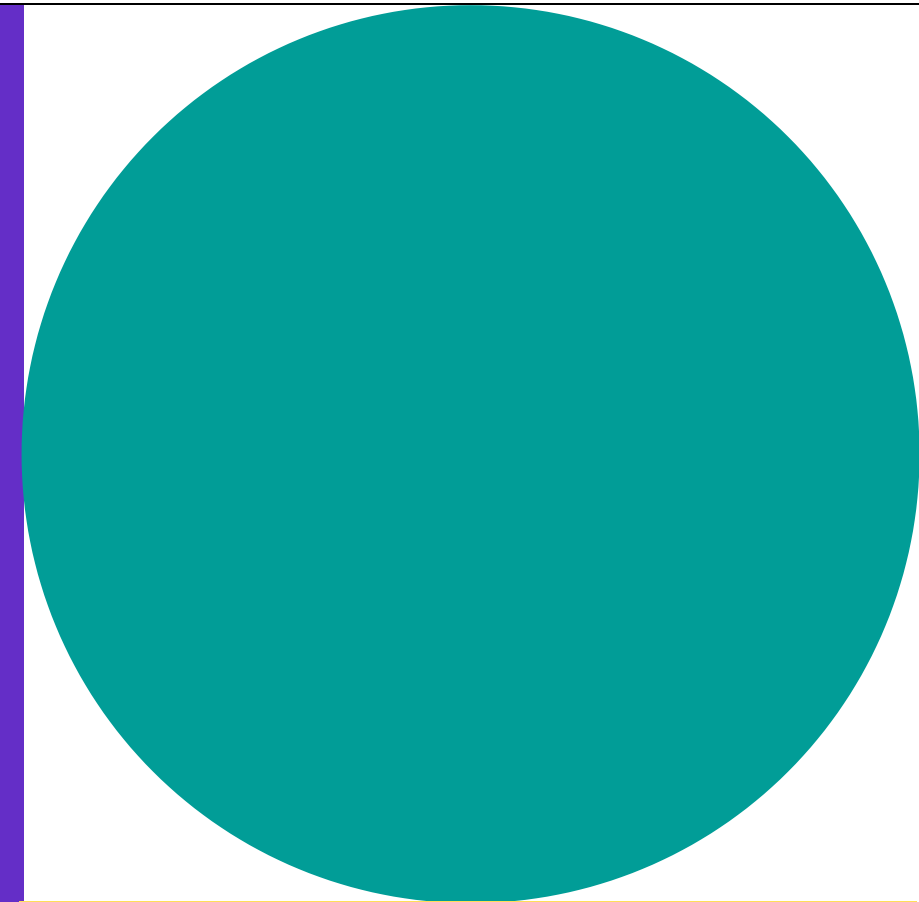

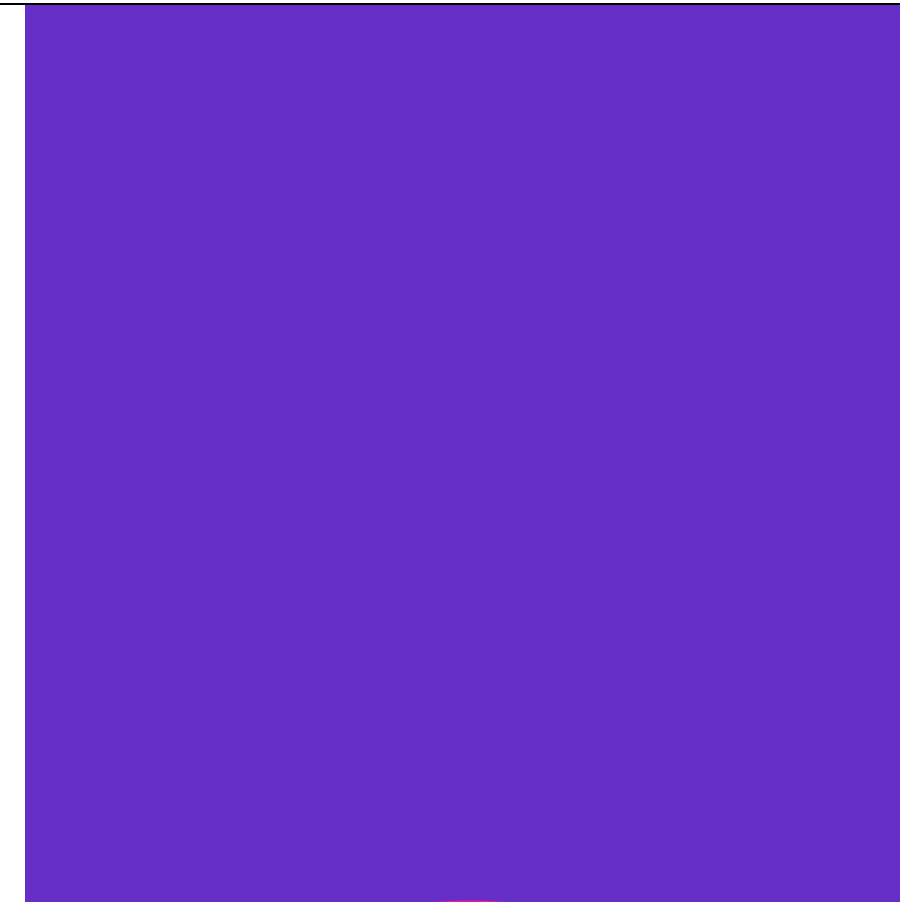

What we want to embody
in our actions

Honesty and Integrity

Passion and Creativity

Respect and Collaboration

Equality and Diversity

What we believe in
