

LOVE RESPECT

Hello everyone! I am MENGZAO XU, a Ms accounting and finance student in QUB, who comes from China. I have a very kind and love family and a cat in china.

If elected, I will use my love and patience to help mature students, students of different faiths and sexual orientations find suitable groups, get respect and care, and get quality information and training. I will be working with schools and local organizations that care for and protect women's rights, writing blogs, organizing lectures and events.

I am really enthusiastic to learn more about these topics and really make efforts to work for the University's students. Please vote me! I will try my best to prove that you are making a good decision for the whole university!

CANDIDATE: MENGZAO XU

VP EQUALITY&DIVERSITY
